Fake Minister Caught; Mulcted Boro Stores

Swindler, Captured in Cheltenham, Confesses "Working" Other Communities

IS HELD FOR THE COURT

Charged with passing fraudulent checks throughout the county while posing as various local clergymen, Edward R. Vollrath, 27, Monicken street, Philadelphia, was arrested by Cheltenham Township police last Thursday afternoon. He was held for trial at the county court.

He confessed to having passed worthless checks in Narberth, Hatboro, Jenkintown and several other places, police say.

Warning of the man's operations was carried in this newspaper, issue of October 9, in which he was described as "a tall, thin man with brown eyes and sharp teeth and nose."

Narberth concerns swindled included the Narberth Electric and Radio Shop, whose former proprietor, Walter G. Case, said a man of his description "borrowed" and never returned a \$39.95 radio for "a play at the Narberth Presbyterian Church." He also offered Mr. Case a free ad in the program. There was neither play nor program planned at the time, last May.

Early in October a similarly described man swindled Mr. and Mrs. George Albert, of the Majestic Electric Shop, Narberth, by buying an \$18 radio and obtaining \$22 cash by passing a \$40 check with the forged signature in a backhand of the "Rev. W. J. Middleton, D. D." The Rev. W. V. Middleton, whose church had no entertainment at the time, is pastor of the Narberth Methodist Church. Albert learned the check was no good at the Narberth National Bank, saved the radio but the cash was gone.

According to Cheltenham police, Vollrath used the same method. He would pose as a clergyman in different communities when he called a business house on the telephone and ordered merchandise. Police said he would call for the goods with a check made out for more than the necessary price, get the change and the merchandise and leave.

Education Plus Religion Ends Bigotry, Club Told

How religion and education harmonize to end bigotry was told Tuesday by the Rev. W. Vernon Middleton, pastor of the Narberth Methodist Church, in an address before the Bala-Cynwyd-Narberth Rotary Club at the Overbrook Golf Club.

The minister's topic was "Religious Persecution of the Pilgrims." From early days of persecution he traced the growth of religious tolerance and better understanding in America.

In behalf of the club, Dr. R. M. Staley thanked the speaker who was introduced by W. J. Drennen, its vice-president.

This Monday night at the golf club will be the annual Rotary "Ladies' Night."

Narberth Bank Pays 500 Depositors in Christmas Club: 50% Over Last Year

Checks dated December 1 are being mailed by Cashier Carl B. Metzger, Jr., this week-end to the five hundred members of the Christmas Club of the National Bank of Narberth. The money conveniently saved during the past fifty weeks by these depositors, and which now goes into circulation to stimulate local retail business, is approximately \$30,000. This represents a fifty per cent. increase over the amount of last Christmas' club.

A new Christmas savings club is now forming, for the benefit of local residents who like to save a small amount regularly each week and see it grow December, 1937, into half a hundred times that.

To Sew for Packages

The Woman's Auxiliary of the Narberth Presbyterian Church will sew for the missionary Christmas packages at their monthly meeting Thursday, December 3, to be held from 10 A. M. until 4 P. M. at the church. Luncheon will be served at 12.30.

For those who do not sew there will be the usual hospital dressings to make. Mrs. Frank J. Wheeler will be the hostess.

Collection For Emergency Relief During Next Four Saturdays

The Narberth Volunteer Emergency Relief Committee is making its annual plea for contributions towards Christmas baskets and other relief work. The active members of the Narberth Fire Company have volunteered to make collections for this yearly drive. These men have done this work each year without any remuneration whatever. Beginning this Saturday and on each of the three Saturdays following until Christmas collections will be made.

Last year a charity ball was given which netted \$135. This year the ball was abandoned. As a consequence the relief treasury is very low and the workers hope the citizens will be as generous as possible when the men call for collections.

The firemen will call with a box and any contribution you can make may be dropped into it. If you cannot contribute cash, food will be acceptable.

The relief work done by the Narberth organization is emergency only. The State and WPA take care of continued cases.

Simpson's Team Wins in Players' Contest

Delightful Program Provided at Meeting of Drama Group

B. G. Simpson's team won the recent Narberth Players' membership contest and Francis Mitchell's and Phil Pitcher's teams tied as losers so the winners furnished the entertainment and the joint losers provided the refreshments at the meeting Tuesday night at the Narberth School Auditorium.

The standings were: Simpson's team, 29 new members; Pitcher's, 13; Mitchell's, 13.

Entertainment was both varied and delightful. Maroa Bailey gave a dramatic interpretation of "Victoria Regina"; Robert Greenwood, Brookline tenor, accompanied by his mother, Mrs. Roy Greenwood, pleased with "Drink to Me Only With Thine Eyes"; while Ralph W. Parker, Norwood violinist, gave a masterful rendition of Mendelssohn's Wedding March.

William H. Muller, who arranged the program, also acted as impromptu auctioneer to dispose of the surplus refreshments bountifully provided by the above-mentioned losing teams.

President Simpson presided and announced that the one-act play contest, with drama written, directed and coached by local members, would be held at the January meeting.

"The Post Road," next major production of the Players, will be given December 11 and 12; "White Hyacinths," by Faith Faulkes Farmer, at the December 15 meeting.

Food Sale December 5

The Narberth Branch of the Needlework Guild of America will hold a food sale Saturday, December 5, at 9.30 A. M., at 219 Haverford avenue. The proceeds will be used to purchase materials for sewings which the directors and their friends do on the fourth Wednesdays of each month in the Legion Room.

Garments made at these meetings are distributed to the needy of the community.

The December sewing will be omitted. The January meeting will be held at the regular time.

Child, 6, Has Appendicitis

It was reported Tuesday morning that Louise Watts, the six-year-old daughter of Mr. and Mrs. George R. Watts, of 113 Dudley avenue, who is seriously ill from an operation for appendicitis in the Mary Drexel Home of the Lankenau Hospital, is slowly recovering.

FIRE CALLS

Narberth Fire Company: November 19, 5.50 P. M., field fire, Gibson's Woods.

November 21, 10.25 A. M., field fire, Bowman avenue and Wynnewood road, Merion; 12.30 P. M., field fire, 108 Rockland avenue; 2 P. M., Railroad Company bank opposite 115 Elmwood avenue.

November 23, 11.32 A. M., Railroad bank east of Wynnewood Station.

Any emergency, such as gas, electricity, coal, water, milk, food, medicine, shoe repairs, job loans, spectacles, etc., particularly for non-relief cases, is provided for from the funds.

This past year nearly one hundred families were supplied with clothing, about 3000 articles being distributed. Three hundred household furnishings, such as beds, chairs, tables, stoves, refrigerators, cribs, etc., were delivered. Also seventy-three bushel baskets of food at Easter, Thanksgiving and Christmas, besides fourteen Christmas trees, six big cartons of toys and four boxes of books.

There is no overhead or expense account, nor is there any salary paid to any of the Narberth Volunteer Emergency Relief workers. This committee serves at the request of Burgess John R. Hall.

Be as generous as possible when the men come around for contributions. If you cannot help at all just tell the firemen and they will understand.

Entered as second-class matter October 13, 1914, at the Post Office at Narberth, Pa., under the Act of March 3, 1879.

Friday, November 27, 1936

When Lower Merion's football season opened I expressed the opinion that Albert Adam's boys would win all of their games except the Penn Charter and Easton ones. As the schedule developed I felt that my prediction would come true. However, the breaks went against our boys up at Pottstown and fate took a hand in the final quarter. The Maroon threw a twelve-point lead to the winds and the game was lost, 13 to 12. Then came Norristown and again the unpredictable happened. An official decision gave the visiting team the ball on the 1-yard line and the game went aglimmering. Both of those games should have been listed in the win column—but they weren't.

Last Saturday was the one and only Radnor game. The Wayne lads came to Villanova with a sad record behind them. Eight consecutive defeats marred the pages of Radnor's 1936 football history. In Lower Merion, however, the players found a foe that represented a common enemy to every mother's son on the team. Here was a real reason to fight and not a man, woman or child can deny that they did fight. They presented a line from tackle to tackle that was as tight as an oyster shell. The backs hung back until the ball was snapped and then came up fast to stop Lower Merion if any ball carrier managed to pass the line of scrimmage. The ends played well—in fact, the entire Radnor team looked like a smart, aggressive, well-coached team.

The tired Lower Merion team, however, had what it takes. The Maroon ball carriers not only outplayed the Big Red team from Wayne, but they had enough fire to smother a punt late in the final quarter to squeeze out a well-deserved victory by the margin of two points.

Coach Dick Mattis' junior high boys went through their second year of all-victories when they defeated Upper Darby, 15 to 0, last Friday on Penny-packer Field. Only one touchdown was scored on the Leopards by a junior high team. This makes over twenty consecutive victories for Mattis. Sounds like Rockne or Bernie Bierman on the job. Somebody ought to give the boys a banquet or something. They've done a swell job.

Added mention: Mattis has only lost one game to junior high teams in seven years of coaching the Orange and Black.

This Friday evening "Beyond the Horizon," Eugene O'Neill's most popular play in Hedgerow's repertory, will be given at the theatre at Moylan.

Local Movies

"Great Ziegfeld," 3-Hour Show, Narberth, Mon.-Tues.

This Friday evening will be the last performance of "The King Steps Out," with Franchot Tone and Grace Moore, at the Narberth Theatre.

Saturday's attraction is "Meet Nero Wolfe," with Edward Arnold in the famous role of Rex Stout's famous amateur detective. A thriller.

On Monday and Tuesday "The Great Ziegfeld," based on the life of the "glorifier of girls," will be seen with William Powell as Florenz Ziegfeld, Myrna Loy as Billie Burke, his second wife, and with Luise Rainer as Anna Held, his first wife. Due to the three-hour length of this musical picture the feature will be presented at 2.15 Monday matinee, evenings at 6 and 9.10 o'clock.

"Thank You Jeeves," based on P. G. Wodehouse's hilarious story, will be the attraction Wednesday (Cash Award Night). Arthur Treacher has the lead.

Next Thursday, Friday and Saturday will see William Powell and Carole Lombard, who figured in a real life romance, as co-stars in "My Man Godfrey."

"Old Hutch," "Last of Mohicans" at Egyptian

Wallace Beery turns in another in his gallery of character portrayals in "Old Hutch," now playing at the Egyptian. The lovable hokum artist is aided by Eric Linden and Cecilia Parker in a film guaranteed to appeal to everyone.

"Lady Be Careful," based on the Broadway comedy, "Sailor Beware," is coming Monday and Tuesday, with Lew Ayres and Mary Carlisle. It's not exactly the sort of thing for children, so better leave Junior and Sally home Monday and Tuesday.

Excitement, romance, beautiful scenery—they're the movie version of "The Last of the Mohicans" far better than in the best-selling novel of James Fenimore Cooper, on which it is based. The cast includes Randolph Scott, Binnie Barnes and Bruce Cabot. It's coming Wednesday, includ-

Huston again plays the title role of Sam Dodsworth, the easy-going American husband, who retires to travel and find himself, but instead finds out his frivolous, selfish and extravagant wife.

Narberth Boys' Club won from Westbrook, 12-0, Sunday at the borough field. The two touchdowns, made by Stroup and Elliott, came in the first quarter.

MORONEY ARMY AND NAVY WHISKEY

Rich in Mellow Memories

The grand old favorite of half a century is back again—and is again setting the standard of perfection.

We delayed the return of this favorite old blend of straight rye whiskies to let it reach ripe maturity. But now it's back—and the back-label tells the story.

Old friends urged again and again to "hurry things along," impatient to trace again that rich, suave aroma of an honest rye—to taste again that distinctive round mellowness of "Army and Navy" Whiskey. But we dared not disappoint its host of friends—dared not risk the smallest variation in quality or taste. We had our name to protect—and had to uphold the glorious history of this glorious old brand.

It holds its place in the legends of the days when Dewey fired the first shot at Manila—and when it lay in bond at Hong Kong, Singapore, Cape Town and many another world port, awaiting the U. S. Fleets on their famous world cruise under the first Roosevelt's administration. It holds its place in the romance of the "gay nineties" and the first decade of the new century. And

it holds its place in many a stout tale of reckless and of some days of the great war, at home and over there. For half a century, wherever brave men and fair ladies gathered together, this grand old friend brought cheer and relish and inspiration.

And it lives again today—to bring you what it brought the other generations!

Moroney ARMY AND NAVY brand WHISKEY is now obtainable at State Stores and the better bars of metropolitan Philadelphia.

A royal whiskey at a democratic price.

**"THANKS A MILLION"
FOR MORE THAN A MILLION**

America has bought 1,130,000 Chevrolets during the past twelve months, thereby giving Chevrolet the greatest year in its history and the greatest measure of buyer preference it has ever enjoyed.

CHEVROLET The builders of Chevrolet are thankful for many things, but most of all for the warm friendship of the American people.

And so again at this Thanksgiving season we say, "Thank you, America," for you have given Chevrolet a measure of good-will without parallel in the annals of modern industry. Consider, for a moment, all that you have done to inspire Chevrolet's appreciation during the past twelve months:

You have purchased 1,130,000 Chevrolets; you have made Chevrolet your favorite car for the seventh time in the past ten years; you have given Chevrolet strong preference in

every section of the country; you have conferred this same high honor upon Chevrolet trucks by purchasing more than 205,000 commercial units; you have made 1936 the most successful year in all Chevrolet history.

And now, to climax these expressions of friendship, you are displaying even more marked preference for the new Chevrolet for 1937.

It is difficult to express adequate appreciation for gifts so great and so generous as these.

All we can say is, "Thanks a million" for more than a million cars in 1936; and all we can do is offer you the still finer Chevrolet of 1937 in return for the finest friendship ever bestowed upon any motor car manufacturer.
